

Introducing the Farm Credit VIP Scholarship Program

Farm Credit has partnered with The National Society of Minorities in Agriculture, Natural Resources and Related Sciences (MANRRS) to create the Farm Credit VIP Scholarship Program which is now accepting applications.

Scholarship recipients will be awarded a total of \$2,000, and be granted the opportunity to participate in the Farm Credit VIP Track on March 30, 2016 at the National MANRRS Conference. Of the \$2,000 award, \$1,000 will go to conference registration, lodging and travel expenses, and a \$1,000 academic scholarship will be applied to the recipient's college tuition, room and board.

The Farm Credit VIP Track will provide scholarship recipients with meaningful interactions with Farm Credit leadership and expose students to information about careers at Farm Credit. Students will benefit from leadership development and training to better prepare them to find a career in the agriculture industry.
